About Us

Advance Plants is one of Queensland's largest and longest serving indoor plant hire and landscape maintenance businesses.

Why Choose Us?

- We pride ourselves on delivering products and services of the highest quality.
- We take the long term view—many of our employees and clients have been with us for decades.
- We are passionate about sustainability, and will use environmentally friendly products wherever possible.
- We are a local family owned business, as are the vast majority of our suppliers.
- We believe our job isn't finished until our client is thrilled with the work we have done.

An important note

The following products and their colours are indicative only.

We work with a broad range of pot and plant suppliers and, if it exists, we can incorporate it into your design.

Where products are unavailable or have been discontinued the nearest alternative will be recommended.
